## What can you expect?

The Mortgage Strategy Leaders Forum is the opportunity for senior leaders of broker firms working in and with the intermediary market to meet and discuss the main strategic issues in the sector and discuss between themselves and lenders how the industry can be improved to ensure customers are better served.

With formats ranging from thought leadership presentations to focused workshop discussions, the agenda offers plenty of opportunities to learn more about key issues and to network with your peers.

### How will you benefit?

**MEET:** Utilise vital networking opportunities built into the agenda with senior industry representatives

**CHOOSE:** A variety of presentations, workshops and interactive Q&A panels

**POSITION:** Place your key leaders at the forefront of insightful panel sessions

**ALIGN:** Partner your business with Mortgage Strategy and its team of acknowledged expert analysts

**DELIVER:** Be a source of trusted information to your potential clients

## KEY-THEMES FOR 2019:

Key topics for 2019 will be developed by the editorial and content teams working closely with our MS audience over the coming months.

These will include:

- Future economic outlook – the mortgage industry post-Brexit
- Political change and regulatory impacts (big focus on the mortgage market study)
- What next for the first-time buyer market
- How the buy-to-let sector is changing
- The rising importance of protection
- The growing role of technology Markets and competition
- And all you'd expect from the MS team

### What they said:

"The event is full of excellent content and is a must-attend for those with an eye on the future of the mortgage industry."

"An informative and interactive information giving and networking event - a must attend event for the leaders of the mortgage industry."

"I have thoroughly enjoyed attending this premier industry event over the past few years and always learn and pick up some thought-provoking ideas."

"I was initially a little nervous about attending the event as a relatively new business, but I found that I was made to feel welcomed and felt that I could have said more if I'd been braver. I'm glad I went and I've connected with some great and influential people as a result. I'd recommend all those who get the chance, to go."

## Who will you meet?

The Mortgage Strategy Leaders Forum brings together major players in the mortgage industry to share views, benchmark business models and best practice and to shape the development of this dynamic sector.

## Why partner with Mortgage Strategy events?

Mortgage Strategy is the leading source of news, analysis and insight for mortgage brokers and intermediaries within the UK.

In print and online Mortgage Strategy delivers the complete picture on key issues affecting mortgage specialists, from identifying key lenders in the adverse credit sector to analysing the impact of a potential recession on the housing market, through detailed interviews with lenders, independent commentators and other mortgage specialists.

### Mortgage Strategy events offer:

#### High quality content:

- Unique content from our many information sources and research reports
- Extensive research to uncover the hottest topics to put together compelling and controversial debate
- Industry partnerships through advisory boards, research and collaboration

#### High calibre audiences:

- Senior audience of decisions makers
- High percentage of individuals with purchasing responsibility

#### Thought leadership and branding:

- Exposure through dedicated marketing campaign
- Regularly refreshed data to keep up with the pace of change
- Insight built around our delegate audiences to inform and help you engage
- Align your brand with Mortgage Strategy and the team of expert analysts
